Additional responsibilities to add

1. To provide regular and effective supervision for Regulation 24 foster carers and monitor the continued suitability and competence of these carers ensuring they provide a safe, healthy and nurturing environment for children and young people in their care.

2. To ensure the Regulation 24 foster carers fully understand the fostering task in line with the Fostering Minimum Standards 2011.

3. To identify any needs of the children within the fostering family.

4. To attend meetings and Child in our Care Reviews in accordance with the child's care plan and actively participate.

5. To participate in the Out of Hours' support service for foster carers on a rota basis.

6. To provide regular support groups for Special Guardians.

7. To produce a quarterly news bulletin for special guardians that includes relevant special guardianship information and activities for children in their care.

8. To participate in the promotion of private fostering within the service and to the general public.
