Excellence, Happiness & Success

Midday Meal Supervisor

Scale 1, point 2 - paid pro rata at £5,990 per annum

Monday to Friday, 8.75 hours per week, term time only (38 weeks)

We are seeking to appoint a Midday Meal Supervisor to join our lunch time supervision team. You will be responsible for the day-to-day lunch supervision of students from KS3 through to KS5 over three lunch sittings from 12.10 to 1.50 pm.

Ofsted visited us in March 2024 and reported that, '*behaviour is excellent*', '*pupils work hard and value their education*' and '*staff are proud to work here and feel supported to develop professionally*'.

Our aim is to cultivate a community where all students and staff can achieve happiness, excellence and success. If you care about all students having access to a high-quality education and want an opportunity to develop and grow as a professional in an aspirational but supportive environment, then come and join us at Eltham Hill.

Our school and co-educational Sixth Form are hugely oversubscribed but staff are able to request a priority place for their children under our admissions policy.

Closing date: Friday 19th June 2026 (9am)

Interviews: To be confirmed

Eltham Hill School is committed to the safeguarding and welfare of young people and expects all staff and volunteers to share this commitment. Our commitment is underpinned by robust processes and procedures that seek to minimise risk and continuously promote a culture of safeguarding in school. All recruitment within the school is subject to an enhanced DBS check and other pre-employment screening. An online search will be conducted on all shortlisted candidates in line with KCSIE guidelines. We welcome applications from all sections of the community, regardless of gender, race, religion, disability, sexual orientation or age.
